Dear Girish Tirunelveli :

We are pleased to inform you that your request to have your loan payments automatically debited from your bank account through the Budget Drafting Program has been processed. Budget Drafting is a convenient program that may reduce your interest charges, build equity more quickly and pay off your loan early.

Following is the information you provided. Please review and immediately report any discrepancies to our Customer Service Department:

Debit Start Date: 4/6/18
Additional Principal *Per Debit*: \$.00

Account Type: C
(Check = Checking / S = Savings)
Bank Account #: 4265667506

We will draft 1/2 of your monthly loan payment (principal, interest and escrows) plus the amount of additional principal indicated above from your designated bank account. We will continue to draft 1/2 of your monthly loan payment and optional principal every other Friday. Please note in order to have a full monthly loan payment on hand when due, we draft funds in the month PRIOR to the required payment date. Your loan account therefore must remain prepaid by at least one month or you will be temporarily suspended from the Budget Drafting Program until your loan account is again prepaid. The full monthly payment, together with any additional principal will be posted the day following receipt of the second 1/2 payment draft in a month. For those months when your bank account is drafted a third time, the entire amount will be applied to principal.

IMPORTANT NOTE for borrowers with ARM loans and escrow: we will automatically recalculate your 1/2 payment amount each time your required payment changes.

The authorization to initiate a debit from your account will remain in full force and effect until we receive written notice from you of its termination at least 5 days prior to the next draft date, or in such manner and time frame as to afford us and our correspondent bank a reasonable opportunity to act upon it. Termination requests must be mailed to: Drafting Department, PO Box 77417, Ewing, NJ 08628.

Thank you for taking part in our Budget Drafting Program.

Sincerely,
Drafting Department
